I deeply appreciate the kind thoughts and good wishes contained in your letter of September 30th.

The Department of Highways has continued the outstanding cooperation initiated under your leadership and the roads serving our new headquarters in Langley are being laid out in a most satisfactory pattern.

I trust that you are enjoying to the fullest your well-earned retirement and will continue to do so for many years to come.

Dear Mr. Dulles -

61-7811
May I briefly salute a very great man. You have every element of greatness. I am very proud to have met you and some of your colleagues - You entertained us royally at the Commonwealth Club -

Were the roads for your C.I.A. Headquarters worked out properly? Please let me know if I can help.

It was my privilege to meet Senator (now our President) Kennedy near his, then, home - Also near C.I.A. Hqrs -

Of course you know Emerson's "No man walks alone - no man works alone" etc. Your contributions to our country are immortal.

You also know Tennyson's "How dull it is to pause, to make an end, to rust unburnished, not to shine in use!"

Please write a dozen volumes or so as Sir Winston Churchill has done -

Be most of the best for you and your loved ones - now and always -

With highest regards -

To: Hon. Allen W. Dulles
Washington D.C.

Very truly,
J. G. Emerson
